

Mahatma Gandhi Central Library, IIT Roorkee

Invites you to

A seminar on Plagiarism and Impact of Research

04th March, 2017 (Saturday)

10:30 AM to 01:00 PM

Conference Hall, M G Central Library, IIT Roorkee

-: Programme Schedule :-

Plagiarism: how to avoid it? (10:45 am – 11:50 am)

by Sanjeev K Sunny, Deputy Librarian, IIT Roorkee

- What it is? When does plagiarism occur?
- What are the consequences if plagiarism is detected?
- How to avoid it? Learn with examples.
- How 'Turnitin' or other software can help?
- Queries & discussions

Impact of Research (12:05 pm – 01:00 pm)

by Dr. C. Jayakumar, Librarian, IIT Roorkee

- What it is? Why it is important for researchers to be aware about it?
- What are the indicators to measure impact of research? e.g. Citation Index, H-Index, Impact Factor (IF), SiteScore, etc.
- How to use this feature in 'Scopus', 'Web of Science' and 'Google Scholar'?
- Queries & discussions

Who should attend?

Research Scholars of the Institute
